

FACILITY MAXED OUT... NOW WHAT?

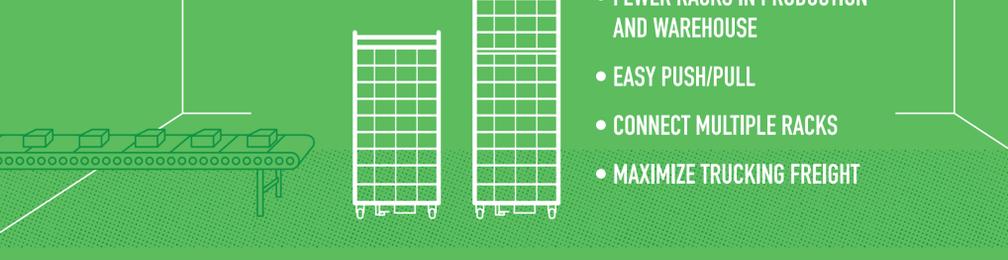

If you're running out of floor space and storage, but don't have the budget or capability to expand your facility or lease more space, RZR Rack is your solution.

RZR Rack offers two powerful ways to expand production capabilities without forking up unnecessary costs.

1. RZR RACK INCREASES EFFICIENCY

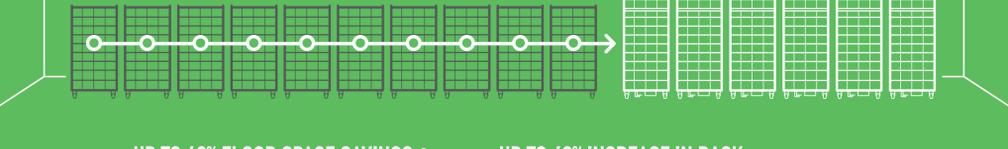

Ideal for space-constrained environments, RZR Rack effortlessly expands vertically to increase capacity and make it easier to load and unload product for a more efficient, productive work environment.

- FEWER RACKS IN PRODUCTION AND WAREHOUSE
- EASY PUSH/PULL
- CONNECT MULTIPLE RACKS
- MAXIMIZE TRUCKING FREIGHT

2. RZR RACK SAVES FLOOR SPACE

RZR Rack reduces the number of racks you need by expanding upward to create more product storage. What could you do with more floor space?

- UP TO 40% FLOOR SPACE SAVINGS & REDUCTION IN RACK REQUIREMENTS

- UP TO 60% INCREASE IN RACK STORAGE DENSITY
